

# LEO WENDT

Art Director

**Hi, I am Leo!** 22 years old and from Neumünster. I like to give it my all in video games, chase balls on the football pitch or make my own music. I'd love to be a successful musician one day, but until that picks up I will let my creativity run free as an art director in the ad industry.

## EDUCATION

2019 - 2021

**Study „Art Direction“  
Miami Ad School Europe**

---

2017 - 2019

**Study „International Design  
Management“ Institute of Design**

---

2008 - 2016

**Alexander-von-Humboldt  
Gymnasium - Abitur (A-levels)**

## OTHER

I played football Bundesliga for Holstein Kiel. I was in the top 0,3 % of all League of Legends players worldwide, one of the biggest and fastest growing e-sports games. Furthermore I directed and moderated my own livestream for two years on twitch.tv. My native language is German, I am fluent in English and working on becoming fluent in Spanish too.
